Submission: Objection

Comments: I object to plans to change use of 1 Parklands Biddulph Moor to a care home for young adolescents. I strongly object as the moor has no other facilities in village to entertain these young adults. They would have to find there on entertainment which might lead to anti-social behaviour. We are a small village and the young adults who have grown up on the moor, cannot wait to leave or learn to drive so they can get off the moor. The majority of the village are either elderly or families with young children. What benefit will this care home bring to the village?
