Submission: Support

Comments: Hello, I support the pig sty for agricultural reasons and to support the continued breeding and care of the 16 Berkshire Piglets and 15 Saddleback Piglets which without this building would not have survived if born outside. Both breeds are in serious decline and are "Rare" breeds. The building is only 9m x 4m, 1.7m at the eaves and 3.4 m at the ridge. Having worked with Bruce for many years I can testify to his good character and integrity and that the building will only be used for agricultural purposes.
