PLANNING APPLICATIONS MANAGER,
SMDC.

Dear Sir/Madam.

Re: SMD/2025/0537.

LAND BETWEEN HOT LANE AND
RUDYARD ROAD BIDDOLPH MOOR.

OBJECTION :- INAPPROPRIATE DEVELOPMENT OF
GREEN BELT LAND.

I wish to object to the proposed development
of the above mentioned Greenbelt land.

Such a development would constitute "Urban
Sprawl" and would set a dangerous precedent
to adjacent Greenbelt land. It can not be
justified as "Special Circumstances" when land
assigned in the SMDC Local plan, for the
Biddolph area, has yet to be developed and
is still available.

This proposed development would be
to the detriment of the character of the
area,

Yours faithfully
