Submission: Objection

Comments: The proposed change of use for 1 parklands is totally unsuitable for a village setting with many elderly residents and a lack of amenities and facilities for children.

I have first hand experience of the children that can be homed by this company, and it has raised concerns for the residents as well as the children, which can be young juveniles up to 18, released from youth custody facilities. . It will also devalue properties in the vicinity . I propose this application should be refused and the company should look for more suitable areas for these type of properties.
