Comments: I support the application for the following reasons;

- 1 RJB Physiotherapy Ltd provide an essential service to the [REDACTED] people in the Endon community
- 2 The rehab gym would allow RJB to extend their service to the Endon community
- 3 Should the proposal be rejected then RJB could be forced to move to other premises outside and to the detriment of the Endon community
- 4 The proposal would bring into use an otherwise empty building
