Comments: I/we consider the site to be totally inappropriate for what is proposed. Tanhouse lane is single track off a busy main road, the A523.. There are vehicles from four properties using it at present and with 27 children being dropped off plus staff and deliveries, many of whom will be at the same time, there will be chaos, with traffic backing up on the main road at the time that people are rushing to work, cars parking over the road and crossing with young children!,!Also there are two regularly used footpaths, one going right through Marsh side yard which also questions the security and safety of the children. The land is notoriously wet and the brook that runs through it regularly floods!! We feel that the alterations to buildings, extras, tipis and all the investment seems excessive and suspect there'll be further activities in the future, creating even more traffic. Totally OPPOSED.
