Comments: The proposed development will revitalise an under [REDACTED] used ground [REDACTED] floor space, creating a more attractive, accessible, and valuable facility for the local community. It will support local employment, boost economic activity, and help create a more vibrant and safer street& [REDACTED] level environment. By making effective use of existing buildings and improving services, the project aligns with planning principles that encourage redevelopment of under& [REDACTED] utilised land and support growth within established employment areas.
