Comments: What an exciting plan this is to The Lodge at Endon. Not only will it be a great asset to the village of Endon but also to the surrounding areas.

It is excellent that the frontage and the character of the building will be unchanged.

[REDACTED] it will be a much better purposeful building and treatment would be more advanced due to the purpose built rehabilitation gym. It will also be beneficial to the disabled clientele and people with mobility issues as everything will be ground floor.

Parking is always appreciated to both the disabled and able bodied people.

Currently (Station Road) the parking is  on road parking  which is a hazard to the local community due to several local businesses, village hall, children s playground etc.
