Comments: Thank you for the opportunity to comment on this Application.

We note that the Public Right of Way Cheddleton 43 is affected, and that it is intended to close it temporarily, for four weeks.

Should a temporary or permanent obstruction be unavoidable, then no development should take place until a Diversion Order has been confirmed, and the diversion route, with a satisfactory surface and adequate width and marking, is available for public use

The use of any PROWs, and the safety of users must not be affected by the development, nor during the work taking place.

This comment is made on behalf of Peak and Northern Footpaths Society, a registered charity which exists to protect and improve public rights of way for use by walkers.

Nothing in this response should be taken to imply the Society's support for the development.
