Dear Sir/Madam,

Re: App. SMD/2026/0079
Appl. RJB Physiotherapy
Site: 257, Leek Road, Ender.

I respectfully supplicate a reappraisal
of the above application.

On several occasions during the
passed few years, I have benefited and much
appreciated needed assistance from RJB
Physiotherapy Team.

I am 86 years of age, no longer drive,
and consequently find it difficult travelling to
the nearest towns for similar treatment. Also I am
no longer able to negotiate stairs and look forward
to maybe recapturing some ability after
exercising on the proposed "gym" equipment!

My daughter and sister have also
expressed eager anticipation for this new
facility. No doubt other elderly people
in Ender and surrounding areas could
benefit.

Thanking in a positive and

favourable response and thanking
you for your time and consideration,

I am,

Yours faithfully,
