Submission: Objection

Comments: I would like to object to this planning application on the grounds of road safety. The A527 at the access point is on double white line as the bend is very dangerous, the residents would have to traverse the white line to gain access to their homes . a accident waiting to happen. Plus the site will have to be deep dug to clear the ground of all the toxic waste (arsenic) as used by the dye works, so where would this go? Better left alone!!
