Email: [REDACTED]

Submission: Objection

Comments: As the houses being considered will be accessed via Rudyard Road, i think that road safety issues should be addressed and traffic calming measures put in place. The 30 mile an hour limit is not adhered to and not currently enforced meaning that increased vehicles accessing Rudyard Road and potentially children playing in the area would be at risk of serious harm from the speed of many vehicles currently using the road.

I also believe that access to the public footpath should not be compromised.
