Submission: Objection

Comments: I am writing to formally object to building new dwellings on Farmside Lane.

Firstly this is a beautiful green belt, full of wildlife. The fields hold animals and should not have their homes destroyed.

Biddulph moor is a peaceful place to live and many people have chosen to purchase a house on Farmside due to its beautiful countryside location.

We moved in to 21 Farmside and chose our house to look at the open countryside, our children have the opportunity to see animals and we chose this location for those stunning views.

This would be detrimental to our valuation of the property we have just purchased!

The noise would disrupt the whole community and damage the wildlife.

I don't understand how this can even be considered.

I believe the whole of Farmside Lane would object to such a devastation of the green land that surrounds it.
