The building is regularly staffed by a manager and deputy manager as and when required. Essential maintenance and groundskeeping activities are conducted on site as part of the ongoing operation. There are also periodic visits from social workers, health and safety inspectors, and other professional staff to ensure compliance with Ofsted regulations. Parents and guardians also visit.

The use relates to the entire dwelling and associated outdoor space, which together support the residential care function.

Documentary evidence submitted with this application proves that the use has been operational for over 10 continuous years since at least October 2012, See Ofsted inspection report dated 20/06/2013 and as such is immune from enforcement action under Section 171B of the Town and Country Planning Act 1990.

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

- ☐ Yes

Please state why a Lawful Development Certificate should be granted

SEE COVER LETTER.

To cover Ofsted requirements previous planning does not identify the correct amount of people going to and from the house i.e. the amount of duty carers and managers so we need it to be worded correctly to be appropriate for a new registration, this is on advice from a specialist consultant.
