[REDACTED]

Morning Chris,

I have looked at the above application but do not have information for the previously approved application so could not carry out a comparison.

However, it seems to be a change in house types and layout within the site with still having same number of dwellings.

I have checked the car parking spaces, and they are in line with the parking guidance.

On that basis I have no objections.

PS
Same conditions shall still apply.

Regards,

Nawaz Malik
