Submission: Objection

Comments: Biddulph Moor cannot sustain any more proprties we dont have the access ie roads 3 are lanes with no footbaths, Farmside lane has become a race track and on the bend (where intended build is) there are cars/vans double parked half on/off the pavement/road making it difficult for emergency vehicles if access was needed let alone if construction traffic were using it to.

What about spoiling the enviroment most of us are here to be in the countryside not in a housing estate. If its 'greenbelt' land why is it even being considered again when its previously been denied, we residents DONT want any more houses here how many times do we need to object before the council listens.
