Comments: Subject: Objection to Planning Application 2 Biddulph Moor (Farmside Lane)

I would like to formally object to the proposed development on Farmside Lane, Biddulph Moor, within the Staffordshire Moorlands District Council area.

This location is a rural lane with limited infrastructure, and the proposed development would have a detrimental impact on the character of the area. Increased traffic on what is a narrow and quiet road raises concerns around highway safety, particularly for residents, walkers, and local wildlife.

In addition, the development risks eroding the natural landscape and countryside setting that is intrinsic to Biddulph Moor. This would set an unwelcome precedent for further development in what should remain a protected rural environment.

For these reasons, I respectfully request that this application is refused.
