Application Reference No. : SMD/2026/0113 Site Address: The Hollies Cheadle Road Blythe Bridge Staffordshire ST11 9PW Stoke On Trent Comments by: William Mc Feeters

From:

Vermont house
Cheadle Road,
Blythe bridge
Stoke-on-Trent
Staffordshire
ST11 9PW

[REDACTED]

Submission: Objection

Comments: I object to this planning application on the grounds of the Health and Safety to the residents, school children and parents dropping their children off that use the wide drop pavement outside this property. At present the application shows 9 vehicles parked and that will be exiting from these properties, empirical evidence would sustain these numbers at the very least- not accounting for any visitors to said properties. Any site visit will identify the current risks of the grey area between pavement users and entitled vehicle users believing this is a roadway for access to St Peters lane, the church carpark and on the footpath parking putting children and elderly at grave risk- we will see the risk increased substantially by the addition of 6 to 9 vehicles exiting from a single point across a busy footpath and onto an already very busy Cheadle Road.
