Submission: Objection

Comments: I object to the planning application on South of Mill Lane, living directly opposite this site this will be of great detriment to our outlook,/ to our property value and valued green space area.

Mill Lane is too busy with cars racing through as it is without further cars to add to it

We have had no letters / emails to inform us of this application and the time frame from application date and consultation is not long to inform residents

We are very disappointed with all aspects of this application and firmly object
