Good afternoon,

Further comments from this month's Town Council Planning Committee will follow. In the meantime, our comments in relation to SMD/2026/0099 (Land south of Farmside Lane) are below.

The Committee felt this was inappropriate development in the green belt. They support the proposed refusal. It was noted that there are a significant number of comments that oppose the application; a number of these objections contain relevant points.

The Committee agreed that this does not appear to meet policies within the Neighbourhood Plan, specifically HOU 2 (infill housing) and NE 2 (urban edge).

If you need further information, please let me know.

Very best wishes,

Sarah Haydon
