Submission: Objection

Comments: We object to the proposed plans for the extension to 8 School Drive on the grounds that the size of the extension would be over bearing and not in keeping with other properties and previous extensions to these properties. The sheer size of the proposed building would dominate the rear gardens of all neighbours and completely obscure the view of the valley from our garden, which we have enjoyed for over 20 years. We feel that the proposed scale and footprint of the extension would have a detrimental impact on our ability to use and enjoy our garden.
