Phone: [REDACTED]

Email: [REDACTED]

Submission: Objection

Comments: Hello, after reading the report from Staffordshire County Council and their advice not to approve this application due to concerns regarding flooding and the engineering work proposed , I strongly object to this work being given permission to proceed by our SMDC local authority.

I understand this also means the proposed destruction of our area will now cross over to the other side of the road in Rownall from the substation towards Wetley Rocks. The council should be ashamed.
