Submission: Not Object

Comments: Dear Planning Officers,

At a meeting of Leek Town Council Planning Committee on Tuesday 28th April 2026, the committee considered the comments made by the environmental health department and ask for these to be taken into account. The Town Council also recommend that solar panel energy production could be included on the roof of the barn conversion as long as this does not impact the Grade 2 listed features of the main farm house. Leek Town Council have no objection to this application.

Not un-neighbourly

Yours sincerely

Denise Wheat

Town Clerk

on behalf of Leek Town Council
