Comments: For some time now we have followed with interest the proposal of installing a play area for young children at the cafe/carpark area at Rudyard Lake. This would be a wonderful addition to the area for families to bring their young children to relax and enjoy the play area and have an ice cream or a coffee beside the beautiful setting of the lake. The staff at the lake are so friendly and professional. There couldn't be a pleasanter environment for family's to spend their leisure time.
