Comments: I am looking at moving house and my family roots are in brown edge so would be beneficial for the community if they have more housing options. This land is unused and would make a great place for a housing development with its own small community. The village has been crying out for years for more affordable housing so I welcome this so we can potentially be part of the family community. The land has had nothing on it for many years so may as well make good use of it
