Comments: Overall the country needs new housing & we can't object to everything. Just one important consideration from my perspective - Breach road has been notoriously a fast section of road so to ensure that the access to the new estate remains safe for all it would make sense to get the developer to introduce traffic calming measures to the road from the top of Clay Lake & the entrance to the care home - this could simply be road markings or as the road is relatively wide so proper crossing point for pedestrians as it is a school route for children.
