Submission: Objection

Comments: At a meeting of Endon with Stanley Parish Council on 12th May, the Council resolved to object. The scheme proposals raise concerns in respect to the inclusion of the enlarged balcony which due to the elevated aspect of the property, this already impacts on privacy of the neighbour's amenity space. While the existing balcony is already a concern, any increase in the space will further compromise the privacy of the neighbouring properties to both sides and the rear boundary.
