13.5.26.

APPLICATION N^o SMPD./2026/0189
LOCATION 7, AVALON. OVERDALE PLACE.

Dear Sir,

We would like to raise an objection to the above proposed extension on the following grounds.

- (1) The proposed extension of the gable-end will severely encroach onto our property and will only be 1.07m. from our existing boundary wall.
- (2) The proposed extensions to the front and rear of the new build will again reduce our access to light and restricted view on both sides of the extension.

We hope the above information will enable you to reach a compromise with the applicants.

Yours faithfully
