Phone: [REDACTED]

Email: [REDACTED]

Submission: Neither

Comments: All my original concerns remain regarding the proposed new dwelling. It is not infill and sets a precedent for further building applications to land adjacent. It would cause permanent loss of green space thus impacting wildlife and nature. My main concern regarding road safety on the narrow lane remains, where on street parking opposite the site is necessary. This is a road used by walkers, cyclists, families, horse riders etc, with many motorists heading for the country park and canals.
