Submission: Objection

Comments: I strongly object to this application for the following reasons:

I have lived here right next to the fields in question since 1996 when the houses were built, Over which time and to the present day I have seen many animals grazing on this land including cows,sheep,alpacas,horses,donkeys,pigs,chickens,ducks to name but a few which I have photographic evidence showing that over recent years to the present day that this land is still grazed upon and is bailed twice on a yearly basis. Also I've seen wildlife including foxes,[REDACTED],hedgehogs,Deer.

Whenever it rains here the field floods. It becomes a stream running down the field at the side of my house. Also,the Gardens opposite me get flooded this forms a large lake at the bottom of the field adjacent to Rock Cottage Nursery Home.

In 2016 I unfortunately suffered a stroke which has left me with disabilities and severe epilepsy. I am now housebound and needing the help of Carers. On February 3rd 2026 I had life changing emergency Surgery which resulted in additional disability. The length of time that it would take for the building of these houses would cause tremendous stress which is detrimental to my health.

Yours very sincerely Suzy Jordan.
