Submission: Objection
Comments: I object to this planning application.

The flooding that takes place on that field has always had an impact on residents on breach road and surrounding streets. I have photo and video evidence of this that I am happy to submit.

The sewerage waste is also a huge concern. The waste pipes can't manage what they have at the moment, never mind an extra 55 home.

The impact on school children using pathways on the entrance to this site. Children have a right to a safe route to school.

The road is also known for road users speeding. There is a huge concern for pedestrian safety.

Last but not least- then;and its self is a GREEN BELT. The wildlife on this plot of land is plentiful, including deers, storks, foxes and many more.
