Comments: I am totally objecting to this development and change of use ...There are a couple of similar money making schemes currently in Endon ..This proposed ' Child Care ' facility has resulted in many misdemeanours by the children in care . Agressive behaviour in the local community , disregard for rules and regulation . The Endon facility is located right next to Endon High School ! This Bagnall facility is in the middle of a quiet community and village and will absolutely result in local residents having to confront bad behaviour directly . or an increase in petty crimes and theft ...No shops nearby and a small park ...this is just wreckless and as I said in my opening remarks , this is just a money making scheme with no thought to the neighbours and village !!!
