Comments: The fact that the property will have 10 car park spaces and the children will have 24 hr live in care , would mean that there would be at least an extra 30 cars per day driving thru bagnall and surrounding areas .The road near the entrance to White Gate is extremely narrow with a tight bend . The pavement is very narrow also ..To have many small children on that pavement is extremely reckless ..

The amenities in bagnall are limited to say the least .

This scheme will result in an accident on that stretch of road for sure ..

I hope that the planners from SMDC spend some time especially during school run time and rush hour .
