Comments: We write in response to the proposed development by Haliway Home Ltd and wish to comment on the proposed children's home in Bagnall.

We consider Bagnall is an unsuitable location for a children's home because it offers no facilities to support their development e.g. clubs, entertainment, shops or public transport. The proposed government access restrictions to social media will further isolate the children from friends or family.

Additionally from a safety perspective, the village has limited street lighting and in some locations has no pavements.

Overall the children may have a very restricted life if living in Bagnall.
