Submission: Objection

Comments: My only concern and objection relates to the shared amenity space.

I have not previously objected to the development at Moorside lodge.

The gardens that have already been developed to the rear have had a significant impact on my privacy.

I am not happy to have any development on the land that is directly adjacent to my property, it will spoil my view, have a further negative impact on my privacy and create more noise next to my home

The site has already met its desired purpose and does not need any further development or intrusion onto or near my home.
