Comments: My main concern is the loss of our lovely wild areas and green belt. The area has lovely wildlife and natural boundaries to other areas and we must protect this as it forms a very large part of the character of Brown Edge.

Additionally, the roads in the area are already getting too busy and the roads are not suitable for an increased amount of traffic. At 55 homes, with each home likely to have 2 cars, that is an additional 110 cars on our local roads, which will increase the wear and tear and danger to pedestrians.
