Comments: I have lived in Brown Edge all my life. It is a beautiful place and I can't imagine how 55 extra houses would effect our community. We do not have the infrastructure for over 200 extra people in this small village. Our schools and nurseries will suffer. Our amenities will be stretched. The total chaos of months and months of road works and lorries thundering through our village and our beautiful green belt decimated. This "development" will be the of the village of Brown Edge and the start of the urbanisation of the Staffordshire moorlands.
