

CONFIRMATION LETTER

Use of Dog Walking Field – Ladyview Kennels

To whom it may concern,

I am writing in support of an application for a Lawful Development Certificate relating to land used in connection with Ladyview Kennels.

I confirm that:

- I have been a customer of Ladyview Kennels since approximately 20yrs +
- During this time, I have regularly boarded my dog(s) at Ladyview Kennels.
- I understand that dogs boarded at the kennels are exercised daily in a nearby field as part of the services provided.

From my own experience as a customer, I am aware that:

- The use of the field for dog exercising has been part of the normal operation of Ladyview Kennels for many years.
- This use has been ongoing and consistent during the time that I have used the kennels.
- The exercising of dogs in the field forms an expected and routine part of the commercial boarding service.

I make this statement from my own personal knowledge and experience as a long standing customer of Ladyview Kennels, and I am willing for it to be used in support of their application to the Local Planning Authority.
