Comments: As someone with a child at Horton St Michael's and also an employee at Horton Lodge I am concerned for the safety of our children as when John Munroe was previously open we use to get calls saying that a patient had escaped so we had to lockdown. I'm concerned about the risks to the young and vulnerable children should there be an escape as the site is very close to both schools and Horton St Michael's hasn't even got perimeter fencing to protect the children. I just feel this particular site is too close to vulnerable youngsters.
