Hi Chris,

Apologies for not having come back to you before the close of the week.

I have reviewed the scheme and recent investment has been made within a practice that will serve this development, this investment is sufficient to provide the capacity required to serve a development of this scale and therefore no contributions are requested in this case.

Kind Regards

Phil

Dear ICB

You were consulted on the above planning application in late May. I do not appear to have received your response and so would be grateful if you could send your comments to me by the end of this week if at all possible.

Thanks
