Submission: Objection

Comments: I am objecting to the proposed planning application for a change of use from a C2 category to a C2A. There are several different issues that concern me. The building is in a conservation area and a place of natural beauty. I am concerned about the extra amount of traffic on the road as on several occasions, residents including myself have had damage done to their vehicles from staff at John Munroe previously. Weather conditions in Rudyard can be brutal in winter and staff will struggle to get into work. My grandchildren go to Horton St. Michaels First school and I feel that this is a major safeguarding issue. Plus there are vulnerable children at Horton Lodge Special School.
