Submission: Objection

Comments: Have grave concerns regarding the proximity of the facility to 2 local schools. I am aware of residents of John Munroe hospital previously escaping from the facility causing lock down at Horton St Michael's school and Horton Lodge Special school. Also if someone does escape into the nearby wooded area how would anyone find them in such a secluded area. The proper measures to inform and consult local residents do not seem to have been taken. Not allowing those who may be affected to give their comments and or objections. An application of this nature must be seriously considered with every viewpoint taken into account not rushed through in haste.
