Submission: Objection

Comments: I strongly object to the proposal to build 8 Wind Turbines at Padwick Farm Ipstones on the following grounds:-

1. The complete unsuitability of the B5053 road to accommodate the traffic that the construction will generate.
2. The environmental impact of 196m Turbines, particularly those at Sharpcliffe as they will be seen from many miles away
3. The destruction of wild life that the construction will cause.
4. The unknown route that will be taken to connect turbine to the National Grid
