Submission: Objection

Comments: I am the Head of Care in the Residential setting at Horton lodge school. I work with the children in school during the school day and have responsibilities for the children who stay in the residential setting during the week and a small number of staff who support the children's care, health and wellbeing during the night.

I am concerned that there is a proposed change to the use of class 2CA facility and the vulnerability of the children and staff in my care during a time when there is little personnel on site. As there is unclear and little information given regarding the residents that would reside at this location I feel I need to raise my concerns and object to this on the grounds that security being detrimental to the children and staff would be seriously compromised if this was to be agreed and go ahead.

Thankyou

Julie
