Submission: Objection

Comments: I believe that this application should be refused on the following grounds;

- 1, The property is in a rural area which has many visitors to the nearby Rudyard lake tourist attraction.
- 2, There is 2 Schools within 500 metres of the site, one is a primary school that has outside safe spaces for the pupils and I believe that the application to convert the property could cause considerable concern for pupils, staff and parents.
- 3, The traffic congestion on the local roads around school time will increase and possibly endanger pupils.
- 4, Most importantly the site is next door to Horton lodge school which specialises in care for children with special needs and disability.

This has always been considered as a quiet and safe space for pupils.
