

31/7/26.

Application Details: SMD/2026/0250

Location: John Munroe Independent Hospital
Reacliffe Road, Rudyard. ST13 8RU

Applicant: Mr Mohamad Amjad, Avora Healthcare LTD.

Proposal: Change of use to C2a Secure Hospital.

To, the planning Committee of S.M.D.C.

I would strongly like to object to the above proposal. This will have a severe impact on the local area, local Schools, Residents and the natural beauty of the area.

From previous experience a few years ago, patients escaped. forcing Schools to go into lockdown.

Patients heard Screaming and shouting by residents. This is not nice for young Children to hear.

The communication to the area has not been good. as to inform Residents about this.

Horton Parish Council had a meeting on the 28th July about this ie objections but the local Residents of Horton, Rudyard etc knew nothing about it. Luckily quite a few turned up and hopefully the Parish Council will Voice our Views. But there would have been so much More if everyone had known about it.

This site would be so much better and Sustainable if it was turned back into a Residential / Nursing home. What nicer area Could you have to live in and spend your twilight years, a peaceful and Serene environment.

Turning this site into a C2a would Ruin this, Property Value would go down. So please Consider our Views. Thankyou

31/7/26.

Kind Regards
Jill Hill.
