Comments: Dear Mr Hurst,

We write with regards to planning reference SMD/2026/0308 at Rock End Stables.

The topography of the proposed site is dear to us all. The rocks bristle with ancient heritage, a proud spectacle of Millstone grit that gave the area its namesake of rock end. To build any home here would be an act of vandalism on our own heritage destroying an area of outstanding natural beauty whilst incurring irreparable environmental damage. It is a sensitive plot and the proposal goes completely against the character and charm of the setting. In addition the increase of traffic with dangerous pullouts would also be unsafe and unwelcome.

The proposed site has enormous importance to the people of Rock End, Biddulph Moor, Biddulph and beyond. It is our duty to protect the stretch of rocks so future generations can enjoy their splendour. If this plan goes ahead then it will set out a precedent for future developments and Rock End will lose its rural identity.

Furthermore, the proposal is Greenbelt and, we believe outside of the development boundary

Yours sincerely

Mr and Mrs Sheldon
