Comments: There are two P.R.O.W paths that could be affected if the proposal is granted. Ipstones 90 runs down the perimeter of the fence that holds the polar bears and

this should be O.K. P.R.O.W Ipstones 87 is a little bit unclear how the lodges will affect the use of this path by the public. The owner must be aware of this and

must not change or remove these paths without consulting with the Staffs Council.
