Submission: Neither

Comments: Thank you for the opportunity to comment on this Application.

We note that the Public Rights of Way Cotton 25 and Farley 37 & 47 are close to or within the proposed site, and may be affected by access traffic to the site.

The application makes reference to a previous diversion of these ROWs, but we have no record of the Order being Confirmed or coming into effect. No such diversion is shown on Ordnance Survey or Staffordshire's own Rights of Way map.

The use of any PROWs, and the safety of users must not be affected by the development, nor during the work taking place.

This comment is made on behalf of Peak and Northern Footpaths Society, a registered charity which exists to protect and improve public rights of way for use by walkers.

Nothing in this response should be taken to imply the Society's support for the development.
