Hi Jane,

Conditions 17 and 35 CMP - The submitted information is sufficient to discharge these conditions from an Environmental Health perspective.

Condition 36 Contaminated Land (Further Site Risk assessment) - Dan will comment on this.

Condition 45 - Site waste management plan - I don't think this is our condition, but Dan may comment as he has better knowledge of the site.

Condition 46 - Dust - Recommend discharge.

Thanks

Denis

Mr Denis Colgan
Specialist Pollution Officer
Environmental Health
